- **Mini Kineraw announced** (Via [Matthew Allard \(mattaljazeera\) on Twitter](#))

There will be Kineraw MINI very soon. Features:

Only record CinemaDNG codec, No Cineform codec

Much smaller and lighter than KR. May be in your palm.

Same Sensor with KR, so it is S35 too. Same amazing image quality then.

Fanless

Build-in Li+ Battery which may work 5 hours

Single SSD

Dual HDMI, but No build-in SDI

Same mounting system with KR, electronic Iris EF mount support

Audio is 2.5mm MIC in.

starting from 3999 USD release date TBA
