GEAR

- Lightcraft workshop Fader ND digipro ND

www.lightcraftworkshop.com or [Special Camera Service](#)

less colour shift (they all shift slightly green)
sharper
less vignetting (bummer)
extended ND range before 'cross effect' kicks in

Price \$305 for 77mm, \$320 for 82mm

GEAR

- [Brother International - P-touch Labeling Systems - PT-2730](#)

- [BlurFix](#) - replacement lens dome for Gopro \$77

[GoPro HERO 2 Comparison FOV With and W/O The BlurFix on Vimeo](#)

machined aluminium Lens port with 55mm filter thread

Tested to a depth of 130ft -- advanced open water (AOW) max dive depth

Accepts all 55 mm camera filters including clear, UV, FLD, red, and polarizing

Clear filter included

Has superior optical qualities of glass filters compared to plastic lenses

Can be used above water with no vignetting in all modes when filter and o-ring are removed (you can use one Go-Pro housing both above and below water!!)

Ceramic desiccant ball groove so that fogging is never an issue (reusable desiccant balls included)
