NEWS

- [Reduser 4K Portrait Competition...](#)

We are proud to announce the first Reduser 4K Portrait Competition, an opportunity in which Redusers can create content and not only compete for exhibition space and prizes at the Reduser Party, but be displayed for all to see on the most advanced 4K technologies ever invented.

Content captured on a RED One, EPIC, or Scarlet cameras

Edited on Adobe Premiere Pro (submission must include your Premiere Pro project file)

Maximum length of 4 minutes including credits (submissions over 4 minutes will not be considered)

No dialogue or sync sound

Submissions should exemplify the impact of 4K imagery and support Reduser Party event theme "THE WORLD [IN 4K]"

Cleared music track can be included as sound source

Content should be suitable for all-ages viewing

- [EPIC officially out of Backorder](#)

All the EPIC stages have been allocated... and EPIC is now officially out of backorder. Starting later this week, Epic-X (and the Touchscreen LCD) will begin shipping on demand from RED.COM. One big step towards our out-of-backorder goal over the next month. All Stage 3/3.5 all should be notified soon to complete your process.
